

## VILL PLAY BALL IN SOUTHERN CITY ON NEXT SUNDAY

ONOPAH VOLUNTEERS WILL  
JOURNEY TO GOLDFIELD  
TO CROSS BATS.

The Tonopah Volunteers baseball line will journey to Goldfield Sunday for the purpose of defeating the Goldfield players. It is expected that a large crowd will accompany the local players. This game will be the initial one of a series which is calculated to determine the championship of the state. Undoubtedly, the players of southern Nevada are far and away ahead of the other ball tossers of the state. Therefore the winners of this series may well be judged Nevada's premier nine.

Tonopah will present the strongest aggregation that has represented this camp this season. The return of Seitz and the addition of a catcher of ability means that the local boys will put up a game of ball that will be difficult to eclipse.

Following is the Tonopah line-up: Gallagher, catcher; Seitz, pitcher; Osgood, first base; Hurd, second base; Hutton, third base; Perry, shortstop; Parker, left field; Morris, centerfield; Forrest, right field; Pittman, sub.

Goldfield will have two batteries, Thompson and Howlett, and Oxnham and Prosser, and such other heavy players as Noone, Cassin, Barr, Atkinson, Crosby, Mullen, Dunn and Fontaine.

The train will leave this city at 11 a. m. sharp.

## LOCAL HERO AFTER SCALP OF JACK JOHNSON

RUMORED THAT SKEETS DE-  
LIBERATELY ATTACKS  
COLORED CHAMP.

NEW YORK, Aug. 6.—While Jack Johnson, the heavyweight champion, was enjoying the play at one of the large theaters here this evening, an unknown person entered the box containing the party and deliberately landed a right uppercut on the champion's face. During the confusion that followed, the unknown escaped. The police have a good description and it is believed he will be apprehended before daylight.

The above news item was received by the Bonanza last night and when shown to several sporting men, they one and all were of the opinion that the unknown who attacked the colored champ, was our old friend Skeets.

Before Skeets' departure he confided to a couple of his bosom friends that he was going after a match with Johnson and was determined to hand the big fighter a sleep jolt. It is probable that Lil Arthur, not knowing anything about our heroes record, refused to sign the articles. Presumably this angered Skeets and in a spirit of revenge, he attempted to hand the champion the big wallop.

Further information will be received with interest and if the unknown proves to be Skeets it is assured that he has a great future before him.

## TECOPA SECTION COMING TO FRONT IN GOOD SHAPE

K. J. GILBERT, PROPERTY  
OWNER THERE, BRINGS IN  
FINE SPECIMENS.

Carrying as fine a hand collection of copper specimens as have been seen in this camp for quite a long time, K. J. Gilbert of Tecopa, arrived in Tonopah yesterday. Mr. Gilbert is a resident of Springdale, but has been operating in the Tecopa section for quite a long time.

The specimens show silver, lead and copper pyrites. Assays of the ore return a value of \$200 per ton. Mr. Gilbert's property is located about one mile north of the Gunshot mine, a property of large proportions, and consists of a group of four claims characterized by strong veins revealing good surface values.

Mr. Gilbert states that the amount of work done shows that the ledges widen out with depth, while the values hold their strength. He is of the opinion that he has a property that will develop into a big thing. In addition to the opinion held by himself, those who have seen the ground share with him the sentiment that sooner or later his group is going to be a great producer. He says that a number of persons have spoken for leases and that he has granted some. One of the ledges on the ground can be easily traced the length of two claims. It is on this lead that leasing will receive attention. Each leaser will begin operations on ore, though, of course, he cannot tell the values for the entire length.

Speaking of that section generally, Mr. Gilbert stated that it never looked better. Like mining sections everywhere, it has felt the effect of the depression which has swept the country. Withal, considerable work has been done and the district proven to be one that warrants thorough investigation and expenditure. He will leave for the camp within a day or two, after attending to business matters in this city.

COMMISSIONERS PASS  
GASOLINE ORDINANCE

In addition to passing many bills of importance that came up yesterday before the county commissioners was the gasoline ordinance which was passed to bring in accordance with the details published in yesterday's issue of this paper. The commissioners will see to it that the ordinance is rigidly enforced to the end that fires in the heart of the city will be entirely prevented so far as gasoline may be the cause.

LOCAL FIRM OFFERS  
MANY GOLD PRIZES

The enterprising firm of Rotholz brothers, always alive to the fact that in order to build up trade it is essential to give as well as to receive, have hit upon the scheme of giving a large number of cash prizes to persons who are willing to work. Whether man, woman or child, the contest is open to one and all. The advertisement reciting the details occurs in another column. It is vacation time and the prizes should appeal to the young boys and girls, who can employ themselves profitably. From time to time the names and standing of the contestants will be published thus lending a touch of excitement and friendly rivalry. The firm is ever on the alert to initiate and this latest idea is one that will appeal to all.

## SALOME IS NOW THE RAGE IN TONOPAH

NEW ATTRACTION IS OFFERED  
NIGHTLY AT THE BIG  
CASINO.

Exit Little Egypt.

Enter Mile. Rose Monser.

The management of the Big Casino, several days ago went to an enormous expense of securing the above named lady to perform at the popular resort nightly and it may be said that the Salome dance as interpreted by Mile. Monser is great. Why it has that Egyptian Miss, who gained fame by drinking champagne out of her slipper at a New York banquet, backed off the boards.

Miss Salome has been performing for the last two nights before an immense crowd and it is safe to say that the audience this evening will completely pack the house. Her dance is a reminder of those moonlight nights and of boat rides. In fact, it is a sort of a dream. One of those dreamy dreams where one's mind wanders off into the oblivion and the awakening comes as a rude surprise. Again we say, it is great.

## SHOW COMPANY WILL GIVE DANCE THIS EVENING

It has been a long time since the people of this city have had the opportunity of being more pleasantly entertained than since the arrival in Tonopah of the Petersen Vaudeville company. The members are all artists in their respective lines, while the show is refined in every particular. Each night during their stay the Butler theater has been crowded.

Last night's performance was one of the best the company has yet put on. Sunday night will close the company's engagement in this city. After the show tonight a dance will be given in Miners Exchange hall, the music to be furnished by the company's excellent orchestra of six pieces. A large crowd will undoubtedly be on hand to enjoy themselves.

NOW IS THE TIME.

The San Francisco Bulletin is now arriving in Tonopah twenty-four hours earlier than heretofore and consequently the readers of that paper secure the latest news several hours earlier than that published in the other city papers. Now is the time to take advantage of the offer whereby you can secure the Daily Bonanza and the Bulletin for the sum of \$1.25 a month.
